

Exempt Specific Honoraria provided by Federal Agencies from Professional Practice Plan

Across the six health professional colleges (i.e., Colleges of Allied Health, Dentistry, Medicine - Oklahoma City and Tulsa, Nursing, Pharmacy, Public Health), honoraria received for reviewing federal grants and/or serving on federal external advisory/leadership committees/panels are not to be considered Professional Practice Plan income/revenue nor included within the scope of the Professional Practice Plan and, thus, are to be income exclusions.

Approved at Deans' Council – April 12, 2017
